

THOMPSON WEALTH MANAGEMENT

We're located at 30 Monument Square, the pink building which is diagonal to the Colonial Inn in a counterclockwise direction. There is contracted parking behind the Catholic Church on Monument Square. The church is gray with white trim, and is located on the northeast side of the square. Take a right on Bedford Street to access the ample parking behind it. From the church parking lot, enter our building by crossing Bedford Street, taking the driveway that runs behind the brick town offices building, and coming up the ramp into the vestibule that says "Entrance".

On occasion, there is a funeral at a nearby funeral home and all the spaces are occupied in the lot. In that case, exit from the church lot, take a right on Bedford St., take your next left and turn left into the parking lot for 30 Monument Square. All of the non-handicapped spaces along the building are visitor spaces. You can enter through the entrance at the back of the building as you come into the parking lot.

If these spaces are all taken, exit the lot, take a left and left to get back to Monument Square, and there is ample parking behind First Christ Church, which is also contracted. There are also a few spots on the street without time limits on the square to the east of First Christ Church.
